

CEDARBROOK COUNTRY CLUB DRAWDOWN – JULY 4, 2008

As you know your CCC membership continues to be one of the best recreation and entertainment bargains anywhere. The Board of Directors has opted to not raise dues even in light of higher operating cost. However the board has identified several improvement projects that we would like to proceed with and in lieu of dues increases or assessment the Board is sponsoring a drawdown lottery to be held in conjunction with the club's annual 4th of July celebration. Our goal is to raise (net) \$35,000 - \$40,000. Here's how it works.....

Each CCC member will be responsible for one \$100 drawdown ticket. You may buy the ticket or sell your ticket or even get several friends to share your ticket. We just ask that you be responsible for your one ticket. Additional tickets can be purchased in the Pro Shop by members and non-members. The drawdown will start at 4:00 pm under the shelter at the clubhouse. We will be serving hamburgers and hotdogs during the drawdown. You do not have to be present to win. All the ticket numbers will be placed in a drum and randomly drawn out.

Prizes

- 1st ticket drawn out will win \$100
- \$100-\$200 winners throughout the drawdown
- \$30.00 monthly CCC Restaurant credit for 1 year (\$360 value)
- One bucket of range balls/wk for one year (\$130 value)
- One cart fee/wk for one year (\$728 value)
- 250th ticket drawn will receive "free dues for one quarter" or non member ticket winner can join with no initiation (\$300 value)
- More surprises announced at drawdown
- ***Final ticket drawn \$5,000***

Please turn your money and drawdown ticket stub in to the Pro-shop by June 20th. If you would like to mail your check (please don't mail cash) and stub in please note on the envelope "Attn: drawdown."

We are excited about this event and we appreciate your support. It will be a fun day and also make money for the club. If you have any questions or need extra tickets please contact Mary Renegar at 874-2076 or Angie Shore at 367-3437.
